 MODULE 4  
Aug 14, 2020  
Core Elements & Principles of GBVIE Programming

OBJECTIVES

● To understand what constitutes GBV and GBVIE, becoming familiar with forms, consequences and sequelae
● To articulate and describe elements of humanitarian interventions that help prevent and respond to GBV
● Strengthen humanitarian workers' resolve and commitment to integrate protection and GBV interventions within their cluster response

AGENDA

Goal-setting 10 min
Defining GBV, Power & Consent 30 min
Causes & Consequences 30 min
PSEA: The Single Drop Experience 15 min
Q&A 15 min
Synthesis & Next Steps 5 min

WORKSHOP CULTURE

● Respect ideas and beliefs.
● Sharing is a choice.
● Uphold confidentiality.
● Be Self-aware and practice self-care.
**EXERCISE 1 (page 1)**

Develop definitions of the following terms:

1. Gender (If your first name starts with A - F)
2. Power (If your first name starts with G - M)
3. Gender-Based Violence (If your first name starts with N - S)
4. Informed Consent (If your first name starts with T - Z)

Write ONE element or defining characteristic of the term assigned to you.

**EXERCISE 2 (page 2)**

Brainstorm as many examples of GBV as you can think of in this category:

- Physical (A - F)
- Sexual (G - M)
- Emotional/Psychological (N - S)
- Socio-Economic (T - Z)

Write ONE element or defining characteristic of the term assigned to you.

**EXERCISE 3 (page 3)**

In triads, brainstorm the consequences for survivors of the violence we just discussed. Write ONE on the jamboard.

- Physical
- Emotional/psychological/mental health
- Sexual/Reproductive
- Social-economic

**EXERCISE 4 (page 4)**

In triads, brainstorm the root causes that drive GBV. Write ONE on the jamboard.
EVALUATION

Kindly provide feedback on this workshop using this workshop evaluation form.
